

# LOVE *in the* AIR

For many people, the flight from Europe to Australia is long and (1) .....boring.....(bore). But it wasn't for Abbie and Leo Davies- because that's where they first met.

'Abbie was sitting next to me,' said Leo. 'I felt (2) \_\_\_\_\_(relax) talking to her and we got on really well.

We chatted all the way to Sydney and it was (3). \_\_\_\_\_(surprise) how quickly the time went

But they forgot to get each other's phone number, so after the flight Leo contacted the airline. 'To be honest, it was a bit (4). \_\_\_\_\_(embarrass) because the staff were quite (5) \_\_\_\_\_(amuse) by the situation, but anyway I gave them her seat number, and waited.'

Abbie, too, was feeling sad. 'I was (6) \_\_\_\_\_(annoy). with myself for not getting his number,' she said, 'though I was also a bit (7) \_\_\_\_\_(disappoint) he didn't ask me for mine. I thought he wasn't really (8) \_\_\_\_\_(interest) in seeing me again. So I was (9) \_\_\_\_\_(amaze) when the airline phoned to ask if I wanted to call Leo. I was so (10) \_\_\_\_\_(excite) that I phoned him that evening, and soon we had our first date. Now we're married and we're very happy together.
