

Title: _____

By: Cher

If I could _____
If I could _____
I'd _____ those words that have hurt you
And you'd _____

I don't know why I did the things I did
I don't know why I said the things I said
Pride's like a _____ it can cut deep inside
Words are like _____, they wound sometimes

I didn't really mean to hurt you
I didn't want to see you go
I know I made you cry, but, baby

If I could _____
If I could _____
I'd _____ those words that have hurt you
And you'd _____

If I could _____
I'd _____ all to you
And you'd _____, _____, like you used to do

If I could turn back time

My world was shattered, I was torn apart
Like someone took a knife and drove it deep in my heart
You walked out that door I swore that I didn't care
But I lost everything darling then and there

Too _____ to tell you I was sorry
Too _____ to tell you I was wrong
I know that I was blind, and darling
