UNIT 8

1 Read and label the characters.

One of the most popular TV shows at the moment is *Superhero Academy*. It's a show about young superheroes going to school, and their teachers. Ms. Ice teaches students to freeze things by touching them with special gloves. Dr. Invisible uses a special mask to become invisible. He surprises the students all the time and watches them when he is invisible. Ms. Strongarms wears special armor on her arms that protects her from all types of weapons. Dr. X-Ray teaches young superheroes how to look through buildings. Ms. Bluewings is the flying coach. And Dr. Electric uses the power of electricity to create a fire and melt objects.

These superheroes are the teachers!
