

A stylized desert landscape illustration. In the top left, a large yellow sun is in a light green sky. Below it are white, fluffy clouds. The ground is a light brown desert floor with a large, green saguaro cactus on the left. In the center, there's a small white skull with black eyes. To the right, there's a signpost with a brown sign that says "3th Grade" with stars on either side. In the background, there are red, rocky hills and a small white cloud. The overall style is simple and cartoonish.

Transportations

English Evaluation
