**XII. Read the following passage and choose the item (A, B, C or D) that best answers each of the questions**

It is very important to have healthy teeth. Good teeth help us to chew our food. They also help us to look nice.

How can we keep out teeth healthy? First, we ought to visit our dentist twice a year. He can fill the small holes in our teeth before they destroy the teeth. Secondly, we should brush our teeth with a toothbrush. Thirdly, we should eat food that is good for our teeth and our body: milk, cheese, fish, brown bread, potatoes, red rice, raw vegetables, and fresh fruit. Chocolate, sweets, biscuits and cakes are bad, especially when we eat them between meals.
