Cause and Effect

1. Identify the cause and effect.

There was a banana peel

so, I fell.

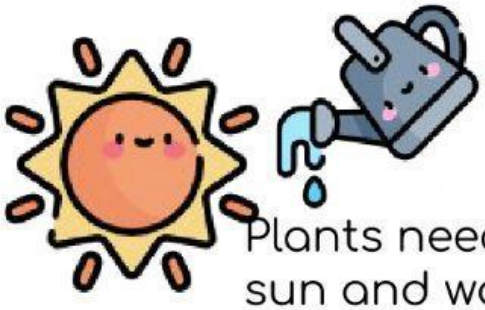

She buys food

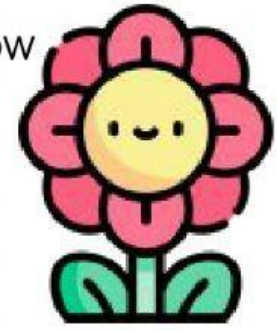

She is hungry

Plants need sun and water

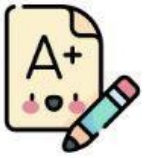

To grow

Cause and Effect

2. Sort the causes and effects.

Cause		Effect
Today is really sunny, 		it is growing strong. 
	there is a rainbow 	I will have good grades. 
Since I always water my plant, 		so I will use my cap. 
	Therefore I can play. 	I finish all my activities, 
If I study and pay attention, 		Because it was raining,
