

Name: _____ Date: _____

CHAPTER 9: OUR RESOURCES ARE LIMITED.

1. What do you think?

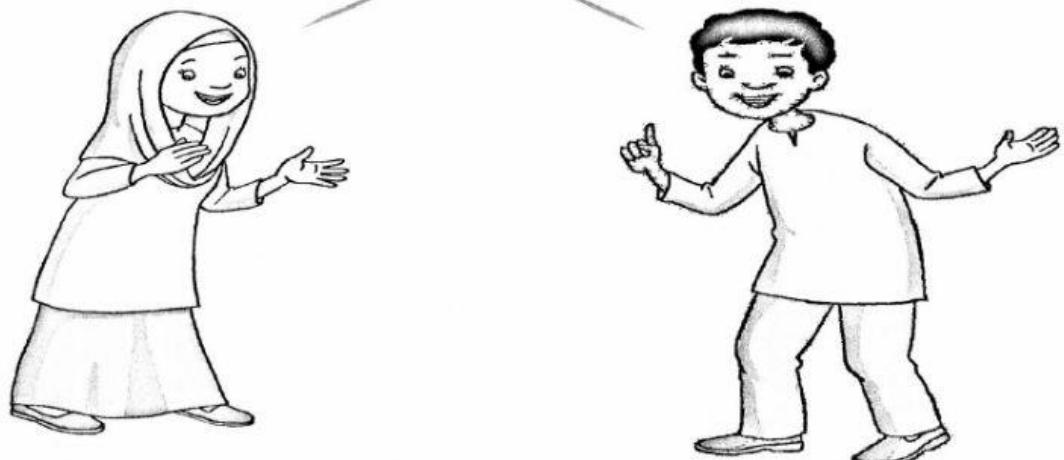

Read the following questions and write down the answer in the allocated speech bubbles.

Conservation is important
because _____

We can do our part to
conserve by _____

Give ONE example how you REUSE
your items at home and MAKE
something from it!

A large, empty rectangular box with four horizontal lines inside, designed for the student to write their answer. It is positioned below the girl and the instruction text.
