VIII Read the passage and answer the questions given.

The two children have been in London. They were surprised at the crowds everywhere. They decided to travel on the tube railway. They found that they had to be quick and get on the train or it would go off without them.

One day they went to Hyde Park and walked along on the grass to Kensington Gardens in bright autumn sunshine. This was different from the crowded streets, and Mary said that it was like being back home. The leaves of the great trees were turning red, brown and yellow, birds were flying about, there were lots of flowers and ducks swimming about on the Round Pond. Only the noise from the street in the distance reminded them of the town.

Answer the questions:

- Where have the children been?
- What made them surprised?
- What did they decide to do?
- Where did they go one day?
- What remind them about the town?
