Hi Marco,

We are moving to our new flat on Saturday. The flat has only two bedrooms, and it has a small garden at the back. It is good for me because it is near my school and the city centre.

When you come in the front door, there is a long hall with a bathroom at the other end. The door on the right goes into the kitchen with the dining room behind it. The next room is the living room. It is a comfortable, sunny room and from there you can walk straight out into the garden.

After that there is my parents' bedroom, and finally you come to my bedroom. It is next to the bathroom. I am writing this email on my computer at my desk under the window. All my furniture is in my room and it looks good.

Love

Alice
