Questions 5-8 CH4_HP5-8.mp3

Complete the summary below.

*Write **NO MORE THAN TWO WORDS AND/OR A NUMBER** for each answer.*

The decline in outdoor play

The amount that children play outdoors is steadily declining with 5 ..... less use of playgrounds than ten years ago. People at 6 ..... will be given a survey to discover why outdoor play is decreasing. The increasing amount of exposure to media seems to play a role. The effect of more 7 ..... studying, and a general lack of green spaces for children to use could be causes for this decline. It is also possible that parents are more wary of letting children play alone 8 ..... without supervision.
