

93 million miles from (1)___ sun
People get ready, get ready
'Cause here it comes, it's (2)___ light
(3)___ beautiful light, over (4)___ horizon into our eyes
Oh, my my how beautiful, oh my beautiful mother
She told me, "Son in life you're gonna go far
If you do it right you'll love where you are

Just know
Wherever you go
You can always come (5)___ home"

240 thousand miles from (6)___ moon
We've come a long way to belong here to
Share this view of (7) ___ night, (8) ___ glorious night
Over the horizon is another bright sky
Oh, my my how beautiful, oh my irrefutable father
He told me, "Son sometimes it may seem dark
But the absence of (9)___ light is a necessary part

Just know
You're never alone
You can always come back (10)___ home"
Home, home
You can always come back

Every road is (11)___ slippery slope
There is always (12)___ hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you

Just know
That wherever you go
No, you're never alone
You will always get back (13)___ home
Home, home
Home, home, home

93 million miles from (14)___ Sun
People get ready, get ready
'Cause here it comes it's (15)___ light, (16)___ beautiful light
Over (17)___ horizon
