Think Before You Throw!

Q. Read the article and fill in the gaps with the correct word.

holder   plastic   useful   environment   Upcycling   bag

Upcycling

1. _____ is turning old and used items such as clothes, 2. _____ bottles, plastic bags and more into unusual and more 3. _____things.

For example, I can convert my old jeans into a 4. _____. Another example of upcycling is turning empty plastic water bottles into a 5. _____ for my pencils and pens. You can also convert old car tyres into comfortable seats or even plant pots for your garden.

I really love upcycling because it is good for the 6. _____ and it also helps people be more creative!
