

Name: _____ Date: _____

ISOTOPES

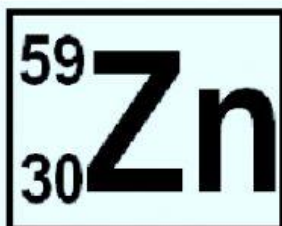

Identify the Isotopic symbol, number of protons, and number of neutrons of this isotope.

Isotopic symbol: He-3

No. of proton: 2

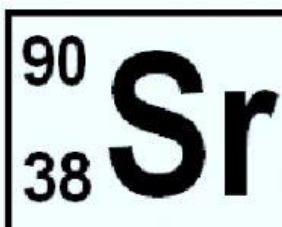

No. of neutron: 1

Isotopic symbol: _____

Number of protons: _____

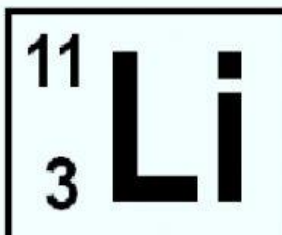

Number of neutrons: _____

Isotopic symbol: _____

Number of protons: _____

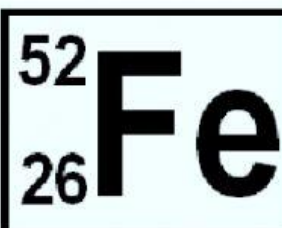

Number of neutrons: _____

Isotopic symbol: _____

Number of protons: _____

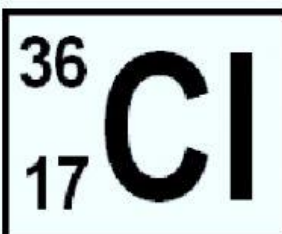

Number of neutrons: _____

Isotopic symbol: _____

Number of protons: _____

Number of neutrons: _____

Isotopic symbol: _____

Number of protons: _____

Number of neutrons: _____
