What's your hobby?

Bill - Most people collect things and I'm no exception. I've been collecting posters since I was 9 years old. I'm now 14, so you can imagine how many posters I've got! I've got all sorts - from tiny ones I've found in magazines to very large ones, I've bought at concerts or sporting events. My favorite poster is one that I have of my favorite film - *The Lord of the Rings*. It's more than a metre high and I've put it up on my bedroom wall where I can see it when I'm lying in bed.

Lauren - My hobby is my music. I sing and play the drums in an all-girl group. We started the group only last year, but we have already played five concerts - two of them at school! Many people ask me how I can sing when I'm playing the drums. I don't think it's at all difficult. Of course I'm not the only singer in the group. Melissa, one of the guitarists, also sings. I really love my hobby and hope that when I grow up I will be in a famous band.
