| Grade /Semester: 1 /Semester 2<br>Learning Session : 9 | Subject: Math<br>Topic : Measuring weight |

*Bismillahirrahmanirrahim*

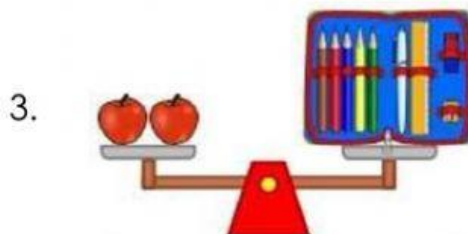

**I. Count the mass of each object and write the number of units.**

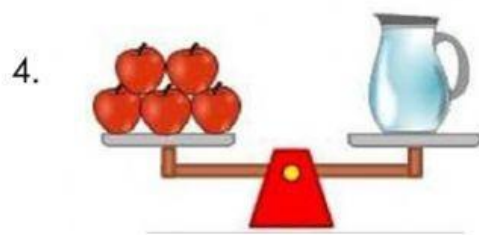

The mass of the book is \_\_\_\_\_ units.

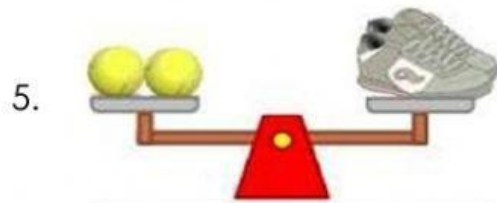

The mass of the lamp is \_\_\_\_\_ units.

The mass of the pencil case is \_\_\_\_\_ units.

The mass of the jar is \_\_\_\_\_ units.

The mass of the shoes is \_\_\_\_\_ units.

## II. Compare the object. Write heavier, lighter, heaviest or lightest.

1. The jar is \_\_\_\_\_ than the book.

2. The book is \_\_\_\_\_ than the pencil case.

3. The lamp is the \_\_\_\_\_

4. The shoes is the \_\_\_\_\_

*Alhamdulillahirabbil 'alamin*
