This is my friend Nelly. She is a doctor and she works in Txagorritxu hospital. She loves her job.

Yesterday she got up at 6:15 and she had oranges, toasts and coffee for breakfast. She washed her face, brushed her teeth and she put her clothes on. At 7:45 she went out of her house and she walked 10 minutes to Txagorritxu hospital.

She started working at 8:00. First, she talked to the other doctors. Second, she checked that all the people are fine. Third, she helped the nurses. At 12:20 she stopped working and she had a break of 15 minutes to eat a sandwich and to go to the toilet. Then, she continued working till 3:00.

After work, she walked home and she cooked her lunch: salad, chicken and an apple. At 5:10 she practiced her favourite sport, climbing. She climbed for 40 minutes and she went home.

At 6:55 she cooked her dinner: fish with vegetables. Then, she rested in the sofa and she watched the TV. She started watching TV at 8:05 and she watched TV for 20 minutes. At 9:37 she went to bed.
