Recycled art is really popular these days. New works of art <sup>1</sup> **make / are making / are made** from old objects. You can see an exhibition in Spain which <sup>2</sup> **called / is called / is calling** 'Keep the Oceans Clean'. It includes an exhibit of a big fish. The fish <sup>3</sup> **is made / is making / makes** of old shoes!

Jane Perkins is another artist whose works of art <sup>4</sup> **produce / are producing / are produced** from recycled objects. You can see her picture of Vincent van Gogh's *Sunflowers*. It <sup>5</sup> **makes / is made / is making** from old plastic, buttons and toys.

Oil paintings which <sup>6</sup> **are painted / is painted / are painting** by famous painters are out of fashion. So are sculptures which <sup>7</sup> **are making / is made / are made** from expensive materials.

I like making recycled art. Look at this flag. I <sup>8</sup> **made / is made / was made** it from bottle tops which <sup>9</sup> **recycled / are recycling / are recycled**. It <sup>10</sup> **displayed / is displayed / are displayed** on our classroom wall!

**3 Read and complete the sentences.**

**/5 marks**
