B. Reading. 3pts

I. Read the paragraph then answer the following questions. (2pts)

Thanks to the widespread use of modern means of transport, people have more choice of holiday destination and can now visit even the remotest parts of the world. Tourism has certainly become an important factor in the development of many countries.

An obvious benefit of tourism is that it plays a key role in economic growth. It contributes greatly to income of a region or country. It also brings job opportunities to all kinds of people, and therefore helps promote prosperity in diverse fields. Another positive aspect of tourism is that it helps promote international understanding and cooperation among nations. In addition, tourism can improve the standard of living of local or rural communities, so young people are encouraged to stay in their hometown to build a good life rather than move to big cities. Finally, tourism brings cultural benefits, as travellers learn about the history and culture of a place, and spread them around the world.

Questions:

1. What can people do now when having modern means of transport?
