LO: Review the Writing Focus (Suspenseful Descriptive Settings)

Choose one story from the options below. Create your own title.

- ✓ Every night at midnight Nick hears a wolf howling. Will he go out and investigate? What does he find?
- ✓ Ben is given a pet parrot. Every day the parrot gives him a strange clue. What are the clues? What is the parrot trying to tell Ben?
- ✓ A package was delivered to your front door. It is wrapped like a birthday gift and has your name on it. What's inside? What happens when you open it?
- ✓ Every day at noon you hear a train whistle and thunder down the tracks. The problem is: you don't live near a train track. What happens when you investigate?
- ✓ While on a hike, you notice a small door on a tree. As you continue walking, you see three more tiny doors. What happens when you open one? What do you see?
- ✓ You found a strange looking pencil in your room. You grabbed it to work on your history homework. The pencil started writing for you; it left a mysterious message. What did the message say? What does it mean?
