

## 1 Look and write.

1- The ostrich is drinking.

2-

3-

4-

5-

## 2 Look and write the animal body part.

1. A **crocodile** has got sharp **teeth**

2.

3.

4.

## 3 Read and match. 1- 2- 3- 4-

- 1 This animal lives where it's hot. It's got big claws and a very big beak. It uses its beak to eat.
- 2 This animal has big teeth, but the strange thing about it is its fur. It's very long and it helps it to keep warm when it's cold!
- 3 This animal is very strong and fast, it can jump out of the water. It uses its tail to catch fish.
- 4 This animal lives near the sea. It's got small wings, it uses them to fly, and to swim and catch fish to eat too.
