Business communication

Correct the sentences from the presentation. There is one mistake in each sentence.

I'll come to that after.

That brings to my next point.

First all, I'd like to say a few words about recycling.

Thanks very much for listen today.

My next points is about company image.

As I say before, the problem is complicated.

I'm here today tell you about the benefits of carbon offsetting.

Let's move in to my next point.

Good afternoon, somebody.

We're going to looking at the subject of carbon emissions.
