David : Oh, that's quite a distance from here. I hope I can find it.

Ahmad : Don't worry, you will. Good luck.

F) Read and answer the following questions.

Last Sunday was Susie's tenth birthday. She called up a few of her friends to invite them to her party.

"I'd like to invite you to my birthday party at 6.30 p.m. tomorrow," said Susie.

This is how you get to my house. First, go along the road in front of our school. When you come to the traffic lights, turn left. Walk straight on until you come to a zebra crossing. Turn right at the T-junction. Go down the road until you see a playground on the left. The third house after the playground is my house. You won't miss it. There's a big rambutan tree in my garden.

My mother has prepared lots of food and drinks for us. My father has invited a clown and a magician to perform some tricks at 7.00 p.m. Hope to see all of you tomorrow.

1. When did Susie celebrate her birthday?

2. How old is Susie?

3. Whom did Susie invite to the party?

4. What time was the party?

5. Who were going to perform at 7.00 p.m?

G) Number these sentences in the correct order to show the way to Susie's house.

	a. Go straight on until you come to a zebra crossing.
	b. Walk down the road until you see a playground on the left.
	c. Turn right at the T-junction.
	d. Go along the road in front of our school.
	e. Turn left at the traffic lights.
