

Thursday 3<sup>rd</sup> March, 2022.

## Agricultural Science

### Farm Animals.

1. Click on the animals that we eat.

2. Click on the food we get from each animal.

| Animal   | Food              |
|--|-------------------|
| <br>Cow | Beef , eggs       |
| <br>Pig | Pork , ham , milk |
|  |                   |

Chicken

Milk , eggs , meat , beef

3. Match the animal to the clothing made from them.

| Animal   | Clothing   |
|--|--|
|  <p>Rabbit</p> |   |
|  <p>Cow</p>   |  |

4. Click on the animals we do not eat as food

5. Click on the animal used for transportation

6. Click on the animal used for recreation
