

Name:

## WATER CYCLE

- **Evaporation**, the changing of water from a liquid to a gas
- **Condensation**, the changing of water from a gas to a liquid

Watch the video:

1. *Where do you think rain/snow come from?*

ANSWER:

2. *Where could we look for water?*

ANSWER:

3. *Which part of the activity simulated evaporation?*

ANSWER:

4. *Which part of the activity simulated condensation?*

ANSWER:
