Today, there is a TV set in nearly every home. People watch television every day, and some people watch it from morning until night. Americans watch television about 35 hours a week. But is television good or bad for you ? People have different answers. Some say that there is a lot of violence on TV today, the programs are terrible and people don't get any exercise because they only sit and watch TV. Others think that TV programs bring news from around the world, help you learn many useful things, especially children. Thanks to television, people learn about life in other countries, and it helps people relax after a long day of hard work.

**Question 25 :** What is there in nearly every home ?

A. table      B. fridge      C. tivi      D. sofa

**Question 26 :** How many hours a week do Americans watch TV ?
