What will the hat look like after it turns a quarter turn clockwise?

What will the shoe look like after a half turn anticlockwise?

11) Describe the way this object has moved.

This shape has turned \_\_\_\_\_.

A half turn clockwise      A whole turn      A quarter turn anticlockwise

12) Circle if the shape is **symmetrical** or **not symmetrical**.

			
Symmetrical	Symmetrical	Symmetrical	Symmetrical
Not Symmetrical	Not Symmetrical	Not Symmetrical	Not Symmetrical

Practice Test Unit 13 and 15

13) Select what the other side of these shapes would look like, choose **a** or **b**.

1)

a.

b.

2)

a.

b.

14) Select the picture with the correct **line of symmetry**.

## Practice Test Unit 13 and 15

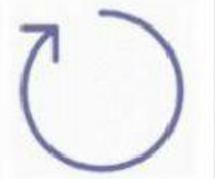

14) Follow the instructions, where do you end up?

 Toyshop			 School	
		 Pet Shop		 Bakery
	 Park			
		Start	 Hospital	

1. Walk one square forward.
2. Make a quarter turn anticlockwise.
3. Walk two squares forward.
4. Make a quarter turn clockwise.
5. Walk two squares forward.
6. Where are you?

 Park	 Hospital	 School	 Toyshop
---	---	---	--

1. Make a quarter turn clockwise.
2. Walk two squares forward.
3. Make a quarter turn anticlockwise.
4. Walk two squares forward.
5. Where are you?

				
Clockwise	Anticlockwise	Whole Turn	Half Turn	Quarter Turn
