## C) COMPLETE THE DIALOGUE WITH THE CORRECT INDEFINITE PRONOUNS.

MAD: Are you going somewhere / anywhere nice for your holiday?

JANE: Yeah, my dad's booked a surprise holiday! I hope it's someone / somewhere hot. And I hope it isn't camping. I hate being without a hairdryer. I also need to buy a new phone charger before we go.

MAD: You can borrow my solar one. It can charge a phone and a tablet at the same time.

JANE: Great! I can't do anything / something if I'm offline.

(Two weeks later...)

MAD: You're back! How was it?

JANE: Awful! The weather was great but the air conditioning didn't work so the room was really hot. There wasn't anywhere / anyone to keep cold drinks, not even a mini-fridge. Did you do something / anything nice?

MAD: No, I didn't speak to someone / anyone all week! I'm glad you're back. At least there's something / someone to do things with now!
