

Name: _____

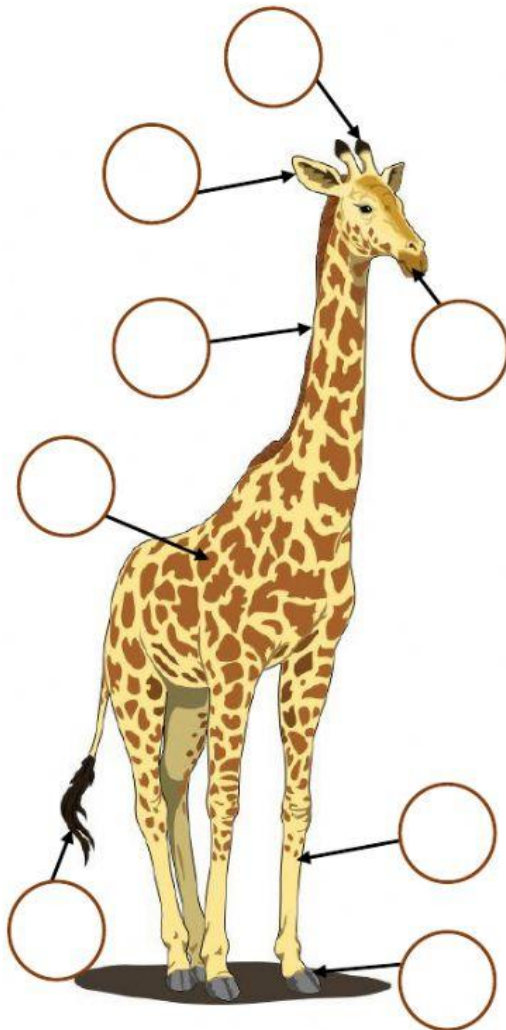

Date: _____

Class: _____

Giraffe's Adaptation

- Match the Giraffe's body parts with the numbers

1	Tough lips
2	Split hooved feet
3	Long thin legs
4	Short hairy horns
5	Tail with fringes
6	Large pointed ears
7	Brown patterned coat
8	Very long neck

Now match the numbers with the adaptations.

	Helps to support its heavy body.
	Helps to protect the feet.
	Helps to detect sound from danger.
	Used to fight with other giraffes
	Allow them to reach leaves from tall trees.
	Used to protect lips from thorns of tree.
	Help to camouflage in the grassland.
	Swats insects and flies away.
