### III. Read and choose.

People have always loved games and puzzles. Until recently word games were (1)..... type of puzzle, and games with numbers were much (2)..... Many people thought that number games weren’t (3)..... word games. Sudoku is a new kind of number game. You have to fill the square (4)..... so that each row and column contains the numbers 1 to 9. Howard Garns invented the game in 1979. He was an American architect. In the 1980s a large Japanese company gave the game the name Sudoku.

Sudoku became very popular around the world. Everyone can play because it isn’t (5)..... for ordinary people and it has a lot of fun.

- |                         |                     |                   |
|-------------------------|---------------------|-------------------|
| 1. A. more popular      | B. the most popular | C. most popular   |
