Read about Matthew's daily routine. Then answer the questions in *complete sentences*.

Hello! My name is Matthew. I'm from the United States and I'm 22 years old. Let me tell you about my daily routine:

I wake up at 6:30 am every day. I get dressed and then make breakfast. Normally I have eggs with bacon and toast, but sometimes I like to eat fruit and yogurt. After breakfast I take a taxi to the university. I don't drive a car. I have classes four times a week. I finish classes at 5:00 pm. After school, I go to the gym with my friends. Then I come home, take a shower, and do my homework. I never have time to watch TV. I generally go to bed at 11:00 pm, but occasionally I go to bed at midnight. I set my alarm for 6:30 and get ready to start the next day. Do you have a daily routine?
