Scoubidou

Listening Comprehension: Identifies

I. Listen to the information very carefully (only twice). Then, match the questions to the answers. There are 2 extra answers.

1. What's a Scoubidou?
2. How do you make them?
3. How long have you been making that one?
4. Where was it originally created?
5. When did the interviewee start making Scoubidous?
6. Can they be given as presents?
7. No question (1st alternative left)
8. No question (2nd alternative left)

a) I´ve only been making this one for half an hour and look, it's nearly finished.
b) It started in France in 1970s.
c) Yeah! They're great, very personal.
d) When she was eleven.
e) I think the best thing is to show you some that I've made.
f) To make keyrings, necklaces, friendship bracelets, and so on.
g) You need long, thin pieces of plastic and basically you tie them in knots.
h) Your secret is safe.

You are doing a great job!
