

# Scoubidou

## Listening Comprehension: Identifies

**I. Listen to the information very carefully (only twice). Then, match the questions to the answers. There are 2 extra answers.**

- |  |  |
|--|--|
| 1. What's a Scoubidou?                               | a) I've only been making this one for half an hour and look, it's nearly finished. |
| 2. How do you make them?                             | b) It started in France in 1970s.  |
| 3. How long have you been making that one?           | c) Yeah! They're great, very personal.   |
| 4. Where was it originally created?                  | d) When she was eleven.  |
| 5. When did the interviewee start making Scoubidous? | e) I think the best thing is to show you some that I've made.                      |
| 6. Can they be given as presents?                    | f) To make keyrings, necklaces, friendship bracelets, and so on.                   |
| 7. No question (1 <sup>st</sup> alternative left)    | g) You need long, thin pieces of plastic and basically you tie them in knots.      |
| 8. No question (2 <sup>nd</sup> alternative left)    | h) Your secret is safe.  |

**You are doing a great job!**
