2. Read the text about Marina and answer the questions:

My name is Marina. I'm twenty-two years old. I'm not married. I was born in a small town near Moscow. My family moved to Moscow when I was ten. We live on a quiet street near a nice park. My father is an engineer. He works at a large transportation company. My mother is a schoolteacher. She teaches mathematics. I have a younger brother. His name is Alexander. Alexander is a medical student. He wants to be a doctor. I graduated from school in 2005. I studied accounting for two years at a technical school. Now I work as an accountant in a department store. My work is difficult, but I like it. My workplace is not very far from home. It takes me about twenty minutes to get there. I have English classes three times a week. I want to speak English very well, so I study hard. On weekends, I visit friends and relatives, go to a concert, or just stay home and relax. My hobbies are classical music and reading. I also like swimming. I go to the swimming pool every Saturday.
