All Too Well

Song by Taylor Swift

I walked _____ the door with you

The air was cold

But _____ about it felt like home somehow

And I, left my scarf there at your sister's house

And you've still got it in your _____ even now

Oh, your sweet _____

And my wide-eyed gaze

We're singing in the car, getting lost upstate

_____ leaves falling down like pieces into place

And I can picture it after all these days

And I know it's long _____ and that magic's not here no more

And I might be okay but I'm not fine at all

'Cause there we are _____ on that little town street

You almost ran the red 'cause you were lookin' over at me

Wind in my _____, I was there

I remember it all too well

Photo album on the counter

Your cheeks were turning red

You used to be a little kid with _____ in a twin-sized bed

And your mother's telling stories 'bout you on the tee-ball team

You told me 'bout your past _____ your future was me
