There's Nothing Holdin' Me Back

Song by Shawn Mendes

I wanna _____ where she goes

I think about her and she knows it

I wanna let her take _____

'Cause everytime that she gets close, yeah

She pulls me in _____ to keep me guessing (mmm)

And maybe I should stop and start confessing

_____, yeah

Oh, I've been shaking

I love it when you go _____

You take all my inhibitions

Baby, there's nothing holdin' me back

You take me places that tear up my _____

Manipulate my decisions

Baby, there's nothing holdin' me back

There's _____ holdin' me back

There's nothing holdin' me back

She says that she's _____ afraid

Just picture everybody naked

She really doesn't like to wait

Not really into hesitation

Pulls me in enough to keep me guessing, whoa

And maybe I should stop and start confessing

Confessing, yeah

Oh, I've been shaking

I love it when you go crazy

You take all my inhibitions

Baby, there's nothing holdin' me back

You take me _____ that tear up my reputation

Manipulate my _____

Baby, there's nothing holdin' me back

There's nothing holdin' me back
