Space at the beginning of a paragraph

Capitalize the first word in a sentence

The title is in the middle

Name of people, places or countries starts with

### Lighthouse of Alexandria

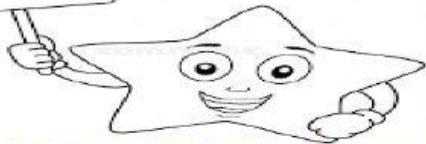

The Lighthouse of Alexandria is the seventh wonder of the Ancient World and it was the first known lighthouse in the world. It is in Alexandria, Egypt. It was built in three stages; the lowest was square, the next octagonal, and the top cylindrical. It was built thousands of years ago. It was constructed in the third century BC.

Full stop at the end of the sentence

It was used to guide thousands of ships safely into the harbor. During the day, a reflective mirror on the top level of the lighthouse would reflect the sunlight to guide the ships. At night, a fire was used instead. It was severely damaged by three earthquakes and became an abandoned ruin. What makes this location so wonderful the high quality of its architectural design and it was one of the tallest man-made structures in the world. The design also became the model for future lighthouses.

Using a comma where it is needed

T. Ghadeer Ali

Lighthouse of Alexandria
