Fill in the dialog using the expressions from the box.

- I am right.	- You are right.
- That's not right.	- You are not right.
- I believe that ...	- I don't agree with you.
- Absolutely.	
- If you ask me ...	- I think ...

Brian : Veli, I want to go to a course on the weekends. But my family can't afford it. I can't go so I am very sad.

Veli : ....., you don't have to go. Studying at school is enough for you.

Brian : ..... The course is necessary to pass the exams.

Veli : ..... you can learn everything at school.

Brian : ..... I need extra studying. I can learn a lot about our tests in a course.

Veli : ..... you can buy test books and solve them at home.It will be cheaper.

Brian : ..... But still I want to go because everybody goes.

Veli : ..... Ceylan, David, Ann and Burak don't go to a course but they are good at exams. They just solve test books at home.

Brian : .....that's right.

Veli : ..... if you really want to pass the exams, you will do it. It doesn't matter where you study. Believe yourself.

Brian : That's right. Thank you.

Veli : Not at all.
