	Name: _____
	Function: Strongest teeth to grind

	Name: _____
	Function: To crush and grind food

	Name: _____
	Function: They are sharp to rip and tear food

Dear students of classes 5A & 5B,

I am sending you this note as we will have our SBA 1 next week.

So please revise the Science topics in Year 4 and 5. Your test papers will be placed in a brown envelope (ask your parents to pick up HLP at school).

Do not lose the envelope, but put it back in when you have finished your test.

I need your honesty to solve the test without any help, without looking at your book or using the internet. Train yourself to sit and finish the paper as a real test.

Our schedule for the test:

Day	Date	Time	Paper
Wednesday	30 March 2022	11.30 a.m - 12.10 p.m (40 minutes)	Science Paper 1
Saturday	2 April 2022	9.15 a.m -10.15 a.m (1 hour)	Science Paper 2

Your test papers must be **returned** on **9 April 2022**. Do not forget to write down your name on it. Thank you for your attention.

Sincerely,

Your Science Teacher 😊
