THE MULTI-CURRENCY ACCOUNT

Now you can deposit different currencies into ONE account.

Managing funds has never been so convenient. The multi-currency account enables you to deposit and transact using local and foreign currencies. It is also more effective in managing your foreign exchange risk and meet your global banking needs with a single account.

NATIONAL BANK

Page 1

Study the poster and answer the questions that follow.

1. Why do you think a multi-currency account is convenient?

(1 mark)

(1 mark)

4. How do you support your answer in Question 3?

(1 mark)

5. What is the objective of the advertisement?

(1 mark)

NIC Offers Double Protection

Under the Insurance Protection Scheme, a new legislature is passed to ensure automatic safeguard for life and general insurance policies approved by the government. No further action is required of you.

In the event of a failure from an insurer, the National Insurance Corporation (NIC) will assist to compensate you. NIC is assigned by the state to manage the Insurance Protection Scheme.

Except for life policies, there are no restrictions for general, accident and health insurance. Only guaranteed benefits are protected for life insurance.

Study the poster and answer the questions that follow.

1. 'NIC offers double protection'. What does this imply?

(1 mark)

2. How does the picture support the intended message?

(1 mark)

3. What evidence is there to show that NIC is authorised by the government?

(1 mark)

4. What do you think 'restrictions' here refer to?

(1 mark)

5. What is the objective of the advertisement?

(1 mark)

(1 mark)

CARTILAGE PROBLEMS: FIXING, REBUILDING OR SUBSTITUTING

Damage to the cartilage is commonly caused by wear and tear or physical exertion. Prompt actions can be taken to avoid further damage to the tissue.

Our orthopaedic surgeons will provide some insights on the problem – the signs, and forms of available treatment.
