Read the passage and choose the correct answer A, B, C or D to each of the questions (1.5 point).

The Cairngorms was made a National Park in September 2003 because it is a unique and special place that needs to be care for both for the wildlife and country, it contains for both people that live in it, manage it and visit it. It is Britain's largest National Park. Cairngorm National Park has the largest area of mountain landscape in the United Kingdom at its heart, with diverse communities around it. It is home to 16,000 people and 25% of Britain's endangered birds, animals, and plants. It includes moorlands, forests, rivers, lochs and glens. Since the establishment of Cairngorms National Park, there has not been a cross-park bus service. However, during the summer months visitors and resident will have the opportunity to explore the National Park using public transport. With 80 per cent of visitors coming to the National Park by car and many residents need a car to get around, it is **important** that residents and visitors alike have the choice to use forms of transport that are less damaging to the environment. Young people in Cairngorms national Park are often asked to make **their** viewpoints known on the future of the National Park at a series of events. Communities and other groups in and around Cairngorms National Park with creative ideas for biodiversity projects are being encouraged to apply for funding from the Biodiversity Grant Scheme, which provides funds for projects that will be help enhance and conserve the variety of life in the Cairngorms.

Question 23: The Cairngorms became a National Park in _____.

LIVEWORKSHEETS
