

## Elton John - House

**Listen to the song and complete the gaps with the corresponding demonstrative pronoun.**

\_\_\_\_\_ is my house  
\_\_\_\_\_ is where I live  
\_\_\_\_\_ is the winter  
\_\_\_\_\_ are the trees  
I can hear them breathe  
\_\_\_\_\_ is my bed  
\_\_\_\_\_ is where I sleep  
\_\_\_\_\_ was the dark  
\_\_\_\_\_ are my dreams  
They belong to me  
\_\_\_\_\_ is my floor  
\_\_\_\_\_ is where I lie  
\_\_\_\_\_ is a square room  
\_\_\_\_\_ was a bright light  
\_\_\_\_\_ are not my eyes  
What is my soul  
Where is my tired heart  
\_\_\_\_\_ is the question  
Where is the answer  
Inside my house  
And I sit by the window  
And I wish I was rain  
I want to fall from the sky  
I want to get wet all over again  
'Cause \_\_\_\_\_ my house  
It belongs to me  
Inside my head  
It's all \_\_\_\_\_ s left  
\_\_\_\_\_ is my house  
\_\_\_\_\_ is my bed  
\_\_\_\_\_ is where I sleep  
\_\_\_\_\_ was the dark  
\_\_\_\_\_ are my dreams  
They belong to me  
\_\_\_\_\_ is my house
