

Match the sentences to the right element of a review.

1- All in all, I give it eight out of ten because it is totally a new experience and people can share smells of food.

3- Do you like the smell of pastries? Cakes? It's now possible to smell food electronically with Smell4happily.

2- You can control it by an app on a smartphone, but it is not flexible and takes a lot of time to let you smell a flavour.

4- It is really nice, because it lets you smell food anywhere. You can send smells to others and receive smells from others.

The elements of a product review	The sentences
What the writer reviews	
The good (positive) point	
The bad (negative) point	
The writer's opinion and reasons
