Hi Mike,

Thank you for the invitation to go camping with you. I do not have any plans for the summer so that would be lovely.

Where are you going? I'm free from 15<sup>th</sup> July to 1<sup>st</sup> August. Is that ok? I love having campfires and I'm a very good cook. I could sometimes make dinner for everyone in the evening. I think your dad is a better cook than me though.

Do I need to take a tent with me, or will we share one? I do have a tent but it's very old.

Let's speak very soon.

Bye,  
Paul

#### MODEL ANSWER - Question 2

##### Fashion

I don't think that fashion is very important but many people do, especially young people. I think that things like family, health and education are much more important.

However, young people see that their heroes wear fashionable clothes on TV, on the Internet and in magazines and they want to be like them. Also they want to wear the same clothes as their friends, so they do not look different. I think this is OK, but sometimes young people spend too much money on clothes and they try to be someone that they are not.

This can cause problems and make them unhappy.

When the weather is bad, I spend a lot of my free time on the Internet playing games and listening to music.
