Topic 16: My School

I'd like to tell you about my school.

My school's name is Nguyen Trai Primary School. It's in Hanoi Capital city in Vietnam. My school is not far from my house. I usually walk to school.

My school is really big and modern. It has three buildings like U shape and each building has four floors. I like my school because it has a large playground, a huge swimming pool and a beautiful garden. There are a computer lab, a library and a music room in my school too.

My classroom is on the second floor. It's very nice and bright with lots of pictures and posters on the wall. I'm in class 3C. There are 12 girls and 14 boys in my class. Our teacher is Ms Nga. We sit at tables. I sit with my friend Phuong.

Our favorite place is the schoolyard. We like to play soccer there. I really like my school!
