Traditional homes in Argentina

I'm Martina, and I'm from Buenos Aires, in Argentina. I live in a neighborhood named La Boca. The houses here are an important part of our culture. The walls of our house have a lot of different colors. My house is pretty big, so there's a lot of space for our things.

Our house has two bedrooms. Mine is across from my parents'. I don't have a big bedroom, but it has all my favorite things in it. It has a big window, so there's a lot of light. It has orange walls and a green rug. I have a lot of posters of bands above my bed because I'm crazy about music. My bed is comfortable, and across from it, I have my desk. That's important because I do my homework and write my blog posts there. My favorite possession is my laptop!
