Teens and pocket money

Some parents complain that their children ¹ **are always asking / ask always** for money. Many teens ² **get / are getting** pocket money for helping with chores around the house and the amount of money they earn ³ **increases / is increasing** regularly. This is because things ⁴ **are becoming / become** more and more expensive all the time. Parents of teens ⁵ **are often worrying / often worry** about whether they should give their children pocket money and if they choose to do so, they ⁶ **usually have / are usually having** a hard time deciding how much to give them. It ⁷ **seems / is seeming** that there really is no 'correct' amount. One way for parents to decide how much to give their children is to ask other parents what they ⁸ **do / are doing** when it comes to pocket money. Many of them will say that they ⁹ **provide / are providing** their children with a certain amount of money each week. If their children ¹⁰ **are wanting / want** to buy something special, they can save this money until they have got enough or they can do extra chores around the house for a few weeks.
