

## Comprehension -Sequencing events

A sequence is what happens 1st next and last. Sequencing is putting things in order from first to last so that they make sense.

1. What happened *first, next, and last*?

1, 2, or 3?

|                                                  |  |
|--------------------------------------------------|--|
| Theresa's teacher said the butterfly was pretty. |  |
| Theresa gave her picture to her teacher.         |  |
| Theresa drew a picture of a butterfly.           |  |

What happened *first, second, third, and fourth*?

1, 2, 3, or 4?

|                                                                             |  |
|-----------------------------------------------------------------------------|--|
| Troy put his dog's dish on the floor, and called, "Rex! Here, boy! Dinner!" |  |
| Troy opened the bag of dogfood, and took out the scoop.                     |  |
| Troy took his dog's dish and food out of the cabinet.                       |  |
| Troy put two scoops of dogfood into his dog's dish.                         |  |
