Home

You know we in this neighbourhood for the last three years. Well, there change in the air! My parents are thinking of moving. They a decision yet, but watch this space!

Films

Recently, I really interested in old films. It's weird, isn't it? I watching them online in bed. I about 30 of them now. I mean, I them all, and loads of them are in black and white, but they make a change from all those action movies and romcoms.

Health

I terrible. I've got flu! I in bed since Monday. But I a couple of books and I some revision for my exams next week - so it isn't bad! But I bored. Someone entertain me!
