My favorite team game is called **“Hide and seek”**

This is how you play it:

If you are the seeker	If you are the hider
1. your eyes.	7. somewhere to hide
2. to 10 or 20.	8. Stay quiet.
3. “Ready or not, here I come”.	9. for your friend to find you.
4. for your friends.	10. fun playing with your friends.
5. Say “Found you” when you see a friend.	
6. looking for your friends.	

I like this game because I and it’s really fun.
