'My office is at Gatwick Airport, but I spend 60% of my time in the air. I teach flight attendants and help with any problems. I also go to lots of meetings.

My working hours are using from 8 a.m. to 4 p.m., but sometimes I work from 1 p.m. to 9 p.m. At work, the first thing I do is check plane times on my computer, and then I speak with some of the flight attendants.

Sometimes, I go on long flights to check how the flight attendants are doing. That's my favourite part of the job, but I like office work, too. Travelling can be hard work. When I get back from a long journey, all I can do is eat something and then go to bed! I earn a good salary, and I love working for Emirate Airlines. Andrew

Today our teacher asked us where we are going on holiday and what we are taking with us. I'm going to the beach with both my parents. I don't need my passport. It will be very hot, so I am taking my swimming costume and a big towel but not an umbrella. I like my blue towel, it's my favourite colour. My friend told me to take my camera because you can sometimes see dolphins. I will also take my sweater as it sometimes gets cold at night.

Peter

My teacher asked me about my holiday. I'm going to a house in the mountains with my uncle and aunt. It will be very cold all the time, so I will take my favourite blue scarf and gloves. My aunt said there will be a lot of snow. We are going there because my uncle likes snowboarding. I am excited because I will go on a helicopter again. We are going to the top of the mountain. I must take my trainers and a good hat!

Ben

I told our teacher that I'm going on holiday to the forests in Germany with my father and my brother. This will be the first time I go on an airplane. We will go to the airport two hours before the flight. My mum says it rains a lot in the area we are going to. Do you skip breakfast? Millions of people do, and if you are one of them, you are putting your ability to think and learn at risk. Skipping breakfast can cause you to be hungry, tired, and crabby by the middle of the morning. Why is that? First, when you wake up, you have not eaten for about eight hours. So eating breakfast will give you a mental edge at school. What if you don't have enough time for breakfast or if you are not hungry when you wake up? Having something for breakfast is better than nothing. Drink some milk or juice. Then catch a nutritious snack later on in the morning. Yoghurt, dry cereal, cheeses, or fruit are good choices. What if you don't like breakfast foods? Then eat healthy foods you do like. Even cold pizza or a fruit smoothie can power your morning.
